**Subject:** Summary of Week #4 Trigger Level Exceedances

Dennis -

Here's the summary of the week 4 exceedances. All the week 4 data is now final. Dawn is conducting her review and expects to provide her findings in the tox memos shortly.

I plan to send the data (tox reports and residential reports) to HQs EU, ATSDR and WPD later tonight. We wanted to wait until after the week 3 data issues were resolved so as not to confuse folks.

I am hoping to receive any comments before the end of the week so that will be in a position to release the week #4 data to residents next week.

Please contact me with any questions.

Thanks - Kelley
